Cristina Hernandez, Treasurer and Tax Collector's Office (TTC), reported that the applicant has obtained all the necessary County approvals and TTC has no objections to issuance of the license. The applicant has been informed of the requirement that a licensed manager must be present while live entertainment is being provided.

President Afriat stated that there was an application name change. Ms. Hernandez clarified that the application was updated to have Martha A. Hatos, Trustee of the Alan Lee Neuburger Living Trust as the license holder. Robert A. Neuburger, who was originally listed on the application, is the beneficiary of the living trust and should not be listed on the license.

President Afriat reminded Ms. Hatos that she would need to be present during entertainment until there is a licensed manager.

Mr. Neuburger explained that the location and has been operating for 24 years and was previously owned by his father. It is a small cocktail lounge. There is one pool table and two dart boards at the location. There is signage posted outside indicating that patrons must be 21 years of age or older.

6. Discussion and possible revision of the conditions imposed by the Commission on October 12, 2011 for Entertainment-General Business License ID #138454 for The Coffee Gallery located at 2029 N. Lake Ave. Altadena, CA 91001 in the Fifth District (Continued from the meeting of February 8, 2012). (11-4148)

Alice Wong, Department of Regional Planning (DRP) stated that the applicant submitted the Conditional Use Permit (CUP) application on February 28, 2012 and is currently being processed.

Robert Stane, part owner of the business requested that the Commission reconsider the following conditions of the current license:

1. **Licensed manager must be present during live entertainment.**

Mr. Stane proposed that an experienced employee be allowed to substitute for a license holder.

2. **Parking attendant must be visible and present a ½ hour before the live entertainment begins through ½ hour after ending.**

Mr. Stane explained that the business meets all of the requirements that a parking guard would provide and evidence will be submitted to DRP that indicates that a guard is no longer a necessary requirement. He requested the Commission relax this condition of the license and defer to DRP findings on this matter.

3. **The entertainment license is amended to not limit the hours or days of operation.**

Mr. Stane stated that the hours of operation are also being reviewed by DRP and may change. He explained that he coordinates entertainment acts from all over the world and needs flexibility to accommodate the schedules of the entertainers and requested the Commission defer to DRP findings on this matter.

Kenneth Marshall, part owner of the business stated that a survey submitted with their first CUP application indicated that the businesses in the area are closed after 6:00 p.m. making parking available to patrons. Parking was not an issue in the survey.

Alice Wong stated that the hours of operation and parking attendant requirement are conditions of the current CUP that is due to expire in August 2012. She recommended that the applicant work with DRP on the proposed changes.

Cristina Hernandez stated that it is a County requirement for an entertainment license to have a licensed manager present during live entertainment and is not subject to change. The parking attendant requirement and hours of operation were conditions of approval by the Commission and specified in the license.

Alice Wong informed the owners that they must adhere to the CUP until there are modifications and recommended working with the DRP planner.

On motion of Commissioner Barger, seconded by President Afriat, the Commission referred this item back to the Treasurer and Tax Collector's office and requested the applicants reappear before the Commission in October 2012 when their license is due for renewal.

III. REPORT

8. Report by President Afriat on the roundtable discussion held April 4, 2012 to assess the impact of AB619 to the licensing of massage parlors. (12-1388)

President Afriat reported that Massage technicians with State certification do not require a County license. Assembly Bill 619 relieves Los Angeles County of the responsibility or opportunity to regulate massage parlors that employ only State certified technicians. However, if the establishment employs one technician with a County license then the establishment would be subject to the County's licensing process.

Cristina Hernandez, Treasurer and Tax Collector's Office (TTC), stated that TTC is requesting that agenda items 2 and 3 be taken off calendar due to the changes in State law. TTC is currently reviewing the possibility of partial refunds to applicants that no longer require a County Business License.

9. Commissioners' Comments. (12-1544)

The Commission reviewed the calendar for the remainder of April 2012. The Commission agreed to cancel the meetings of April 18, 2012 and April 25, 2012.
